

April 2, 1980
(I would have dated this April 1 but I tho't
I would be taken for an April Fool!!!)

Hello!

This letter is a reminder to be sure to bid for days off May 13-15 so you can join us in Denver for our annual blast. By now you should have received a letter with the particulars. We will have a hospitality room at the Stapleton Plaza, and we have blocked rooms there and the Ramada Inn. This year we have more planned activities to do together. Don't miss out-- we want to see you there. Make your reservations directly with the hotel, but do let us know if you are coming and where you will stay.

As your President, I have taken the liberty of appointing some capable people to help us out. First of all, the following women were appointed to serve on the Nominating Committee: Emily Warner, Chairman, Gail Gorski, and Bonnie Tiburzi. You should be receiving a Ballot from them in the next few days. PLEASE VOTE! We need your input.

I have also asked Mr. Mike Murrell to direct our publicity and press conferences this year, in hopes that we might have things a little more organized than in years past. Mike was previously Public Relations Director for Piper Aircraft Corporation in Lock Haven, Pa., and is now a pilot for Continental Airlines and is based in Denver. If any of your airlines wish to do some publicity on you during the meeting, they may contact Mike through Continental Airlines Flight Operations Denver. He is a talented man and has LOTS of good connections with television, radio, and newspapers. (303) 469-0557

International Social Affiliation of Women Airline Pilots will begin its third year this May. I have enjoyed serving as your president, and all of the other officers join me in telling you what a thrilling experience it has been to see this organization get off the ground (no pun intended). This is my own personal message: I truly hope we can keep ISA from becoming militant. We will all get along much better in this job if we aren't. My wish is that ISA keep one thing as its goal--"Friendship".

I will be turning over the gavel to a new president at the end of our meeting in May. I wish her the best, and I hope she is lucky enough to have as congenial and hardworking a group of officers as I have had the last two years. Every one of them has been super to work with.

SEE YOU IN MAY IN DENVER!

CLAUDIA S. JONES

P.S. Please call Terry Rinehart in Los Gatos, Ca. with any new phone #'s or addresses.

110 Worcester Loop

Los Gatos, Calif 95030

(408) 395-2248

Dear ISA member,

Welcome to all new and returning pilots! Each year's meeting seems to be better than the last, and Denver 1980 was outstanding for new members as well as increased representation from international carriers.

You have a new panel of officers for the 1980-82 term, and we are working on a few new extras you'll all enjoy. A newsletter is in the making, to be organized by Julia Abston and Holly Fulton. Many of you have suggestions and ideas we'd like to hear about, so please send them in when you have a minute to write.

Thanks again to the outgoing officers for their magnificent efforts and work in founding this organization for our mutual enjoyment and friendship. Fly high, and have a great year!

Sincerely,

Jean Haley, President

Judy Lee, Secretary

Norah O'Neill, Vice
President

Sharon Griggs,
Treasurer
