CONVENTION '83 -- TORONTO, CANADA May 10-11-12 -- REGISTRATION MATERIALS ENCLOSED

Our FIFTH ANNUAL ISA+21 CONVENTION will be held in Toronto, Ontario, Canada May 10th-12th. Judy Cameron has done a super job of organizing the festivities at the Harbour Castle Hilton, including a special tour of NIAGRA FALLS. Be sure to read the enclosed information carefully; get your hotel/tour reservations in the mail NOW! DON'T FORGET TO BRING YOUR FULL UNIFORM (yes, the hat, too) and be sure to stop by the ISA Hospitality Suite after you check-in at the front desk. We'll be handing out registration packets, welcoming each of you personally, giving you the latest activity information and, of course, HALP members will be providing their special greeting service.

TORONTO T-SHIRT 'N PICTURE SWAP

Bring a T-shirt with your airline's logo/name for our "swap" session. Also, those of you who attended any past ISA meetings, be sure to bring any pictures you took to exchange with others.

ISA LOGO PIN IN THE WORKS

Josten's, a large manufacturing jewelery company, is hard at work making our new ISA logo pins (same design as our logo) which will be 3/8" round in gold relief. The price, depending on whether it's 10k or 14k gold will range from \$15-\$45 each. Hopefully, we'll have at least a sample at Toronto, if not the real thing available for sale in the hospitality suite.

ISA-DENTLY...NEWS FROM OUR MEMBERS:

-HAWAII INVITATION FROM MIMI TOMPKINS-BELTRANO (ALOHA). "IF ANY ISA MEMBERS VISIT HAWAII PLEASE GIVE ME A CALL AT HOME 808/488-2025 OR LEAVE A MESSAGE AT 833-6L8L. (MY HUSBAND & I OWN A ONE AIRCRAFT FLIGHT SCHOOL) I'LL BE HAPPY TO SHOWN THEM AROUND."

-JULIE CLARK (FORMERLY AMES) SAYS SHE IS "CURRENTLY VERY ACTIVE FLYING AIRSHOWS IN MY T-34."

-GRAINNE CRONIN IS "COMPLETING HER TRAINING AS A SYSTEMS PILOT ON THE B747 FOLLOWING A PERIOD OF THREE YEARS AS B737 CO-PILOT. UNLIKE THE U.S. SYSTEM THIS DOES NOT REPRESENT A 'RETREAT DOWN THE SENIORITY LIST' BUT IS A NORMAL STEP... ENSURING ALL NEW HIRE PILOTS FLY FOR A MINIMUM OF 2 YEARS BEFORE TAKING UP S/O DUTIES."

NEW ISA+21 MEMBERSHIP ROSTER FOR 1983 IS HERE

Contained in this very mailing...your very own copy of the new ISA+21 Roster. Sorry it took a bit longer than we figured, but we wanted to include everyone. (If you don't see someone listed who's been a member in the past, help us 'bring 'em back into the fold' by urging them to renew their membership (a new application/change of address/renewal form is printed at the back of the booklet). This year we've added listings of Captains Club members, Airlines Represented, ISA History, Information Bank and details on past officers and meeting locations. Please help us keep the Roster up to date by sending any changes ASAP to ISA at our Denver P.O. Box.
