CONGRATULATIONS CAPT. STREETER!
MEGANN STREETER REPORTS SHE'S
NOW FLYING ~~LEFT~~ SEAT FALCON 20.
CONGRATULATIONS CAPTAIN DENISE!
COVER-GIRL ON THE AUGUST ISSUE
OF THE ALPA PILOT MAGAZINE-WOW

"No, it wasn't difficult getting a seat on the flight at all. The airlines have this cute policy of reserving a seat for the captain."

1984 CONVENTION: May 8-10 @ SEATTLE

Abby Davis (ISA V.P.) has finalized plans for our '84 convention at the Park Hilton (downtown) in Seattle. Plans include our traditional get-acquainted cocktail party on Tuesday night; a longer (more leisurely) meeting on Wednesday; tours of the Boeing facility and a picnic on the Sound for Thursday. Plan to arrive in SEA on Tuesday AM and stay thru Thursday PM.

WHAT'S THE ISA INFORMATION BANK ALL ABOUT? BONNIE TIBURZI PRESENTS US WITH THE FULL DETAILS OF ISA'S "IDEA EXCHANGE". SEE ENCLOSED GRAPHIC PRESENTATION FOR DETAILS. IF YOU'RE WILLING TO HELP, PLEASE CONTACT BONNIE AT THE P.O. BOX LISTED. YOUR ASSISTANCE WILL BE APPRECIATED!

More Officer Election Information: As we mentioned last newsletter, elections for the 1984-1986 term will open at the beginning of next year. Your next mailing (November) will contain a nomination form so each of you will have an opportunity to participate. You may nominate yourself or others, but be sure to check with that person to verify their willingness to run. All nominations will be published on the ballot. Past or present officers are eligible to serve again and ISA will provide a membership list (but no funds) to any member who wishes to campaign for office. (Along with your nominations we will be soliciting your opinion on ISA's name/name change and an exciting proposal for our 1985 convention site.)

BACK TO WORK: Congratulations to the following ISA members!

Jean Harper and Gail Gorski were recalled by United in June. Both are now B-727 S/Os based in Denver.

Stephanie Wallach and Gretchen Sanderson (both formerly with Braniff) have been hired by Republic. Whoopie!

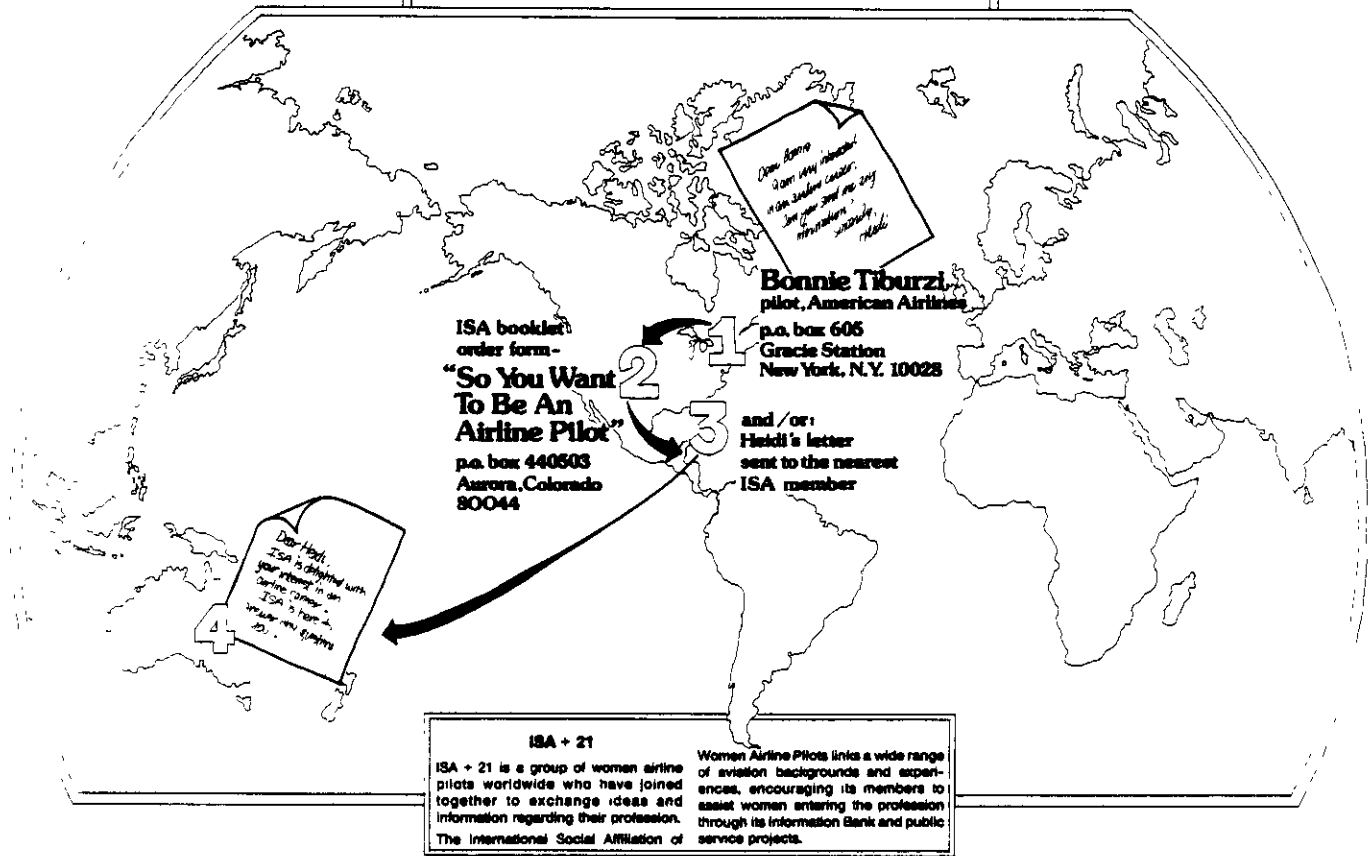

Renee Malkey is back in the Boeing at AirCal (F/O 737). She reports they're busy designing a new uniform for their women to go with the guy's new suits.

NETWORK NEWS: Coordinator Holly Fulton is keeping tabs on airline hiring (as information is supplied by our members) and we've received the following from Keith Johnson at Federal Express: "Do you know of any ISA members looking for a permanent job? Federal Express pays union scale wages and has a no-furlough policy. We are receiving the first of 15 brand new 727-200s the middle of June and the future of the company looks real rosy for anyone who wants to join. Let me know or have them contact me and I'll be glad to help them out." (601/368-7972 home or 800/238-7527 leave message) Abby Davis (Northwest Orient) reports: "NWA is hiring like crazy -- started a class August 1st and since the signing of our new contract, the prognosis is for 20 a month for 12 months. If people want applications, they should drop me a note or call personnel and ask them to send an application directly." If you've got some inside hiring information, please contact Holly Fulton.

(over, please)

AUGUST '83

ISA INFORMATION BANK NETWORK

Today, women fly for work and pleasure, for civilian aviation as well as for the military, and for major airlines worldwide. They come from different personal backgrounds and a variety of flying experiences. Along the way, today's women pilots have become valuable links to other women pursuing aviation careers. The ratio of women to men in the airline world is small, but we are a strong minority. By sharing our own experiences and thoughts with others we'll be able to increase our strength, and maybe our numbers! We'll introduce you to knowledgeable allies you didn't know you had, and provide the inside story on what it's like to be an airline pilot and how to get there.

We hope our booklet "So You Want To Be An Airline Pilot" and our Information Bank will be used to their fullest potential. Both offer moral support, good advice and useful information. Additionally, the Information Bank enables young women to make personal contact with someone who understands their needs without requiring a great deal of background explanation.

ISA+21 is offering what pioneer aviators didn't have: women who have been there. We're helping each other; we're getting together to get ahead.

ISA-DENTLY...News from our members:

DIANE HIXSON married Ralph Edwin Myers, Jr. on 5/15/83. Diane says she is "now know to the DMV as Diane Rumble Myers."

CARAT VALLEE upgraded to DC-9 F/O. Congratulations! Also, she reports a new phone number 313/699-9111.

HOLLY FULTON reports the birth of her son, Joel Andrew Kenady Fulton, on May 7, 1983. "It was an easy delivery," says Holly, "7 lbs. and growing daily." She suggests that perhaps several ISA mothers might like to form a new auxiliary -- Kids of Airline Pilots?

TERRY RINEHART has extra HALP t-shirts -- the original style (gal and guy in front of airplane) -- available in men's large. Interested? Write her for more details.

BONNIE TIBURZI (in response to our query last newsletter) reports "my husband's name is Bruce Caputo and I use both names." She's now in the process of moving, so please write her c/o the Information Bank, P.O. Box 605, Gracie Station, New York, NY 10028. Bonnie's presentation at our Annual Convention in Toronto this year included the enclosed Information Bank explanation. We have reproduced it here, along with an explanation, to assist new members and others in understanding what it's all about. If you're willing to help (by answering questions from women in your area seeking information about an airline pilot career), contact Bonnie.

MARY BUSH HORTON has moved (see new address below in "Changes/Additions" section). We'd like to thank her and her husband Carl for answering our request for legal information on the pros and cons of incorporating.

DUANA ROBINSON tells us the phone company has been at it again and her new phone number is (actually it's just an area code change): 409/693-1961.

Last, but not least, the details on MEG STREETER's Rise To The Top: "Got off a week vacation and the next day at work I was asked to be a Falcon 20 Captain. Quite interesting since at the time I was asked, Evergreen didn't own any Falcons and I thought they were teasing me. Wrong! I now have a DA-20 type rating in my wallet. Evergreen bought 4 Falcons from Federal Express to use on UPS runs." CONGRATULATIONS, MegAnn, and welcome to ISA's Captain's Club!
