

ISA NEWSLETTER

INTERNATIONAL SOCIAL AFFILIATION OF WOMEN AIRLINE PILOTS P.O. BOX 38664 DENVER, COLORADO 80238

5 February 1986

Ladies,

I realize this letter is a bit later than normal, and I must apologize for the delay. It is purely due to my schedule (or lack thereof). I upgraded to 747 F/O in November, and have been on reserve in a different base every month since. However, I think I have finally gathered most of the necessary info together, and will try to cover the more immediate topics. Foremost in everyone's mind is the annual meeting.

SAN DIEGO MAY 6-8, 1986

We will be staying at the Sheraton Harbor Island. I have blocked 50 rooms, but everyone is responsible for making their own reservations. Be sure you let the reservation agent know you are with ISA when you call toll-free 1-800-325-3535 or directly to the hotel 619/291-2900. The rate on the rooms will be \$90/night for a single or \$105/night for a double. Sharing a room with a friend would certainly make the cost more reasonable. The rate seems high, I know, but it is competitive with hotels of similar caliber in the area, and the hotel is quite nice.

The agenda will be the same as always: cocktail party the evening of the 6th (tending toward formal), meeting 9-5 on the 8th, and a variety of terrific activities on the 8th. Bea Ramu is putting together an extracurricular activity package, and there will be a wide variety of choices of interesting things to do. That info will be available at the meeting. As always, all planned tours are purely optional, and since San Diego offers a vast number of superb restaurants and sights, I'm sure many of you will want to explore on your own.

I'm going to ask all of you for your suggestions for agenda items and possible discussion group topics. Please let me know what they are as soon as possible, so they can be printed on the agenda. As always, the agenda/discussions are open to any topic you feel the need to discuss. One item already suggested is, what will ISA's policy be for Continental pilots now that the strike has been resolved at the ALPA level. Please give this, plus other issues, some thought, and keep in touch.

There will be a hospitality suite open for the duration of the meeting. That is where everyone is to register. Check at the registration desk in the lobby for the location of the room, and we will also try to have it posted. If anyone is willing to man the registration desk for any amount of time (days, hours, minutes), I'd appreciate hearing from you. That would enable the officers to attend to other details of the meeting if necessary.

FEBRUARY '86

OFFICER ELECTIONS

This is an election year. You will be electing new officers for the 1986-88 term. Enclosed you will find a nomination form. It is (hopefully) self-explanatory, and requires the signatures of the nominee and the person doing the nominating. This system was devised to avoid nominating (and electing) people who are not interested in running for office. Please fill it out, send it to the nominee, and nominees, please return it to me in a speedy fashion so the balloting can begin.

MASTER SENIORITY LIST

This project is coming along extremely well. Started by Julia Abston and Terry Rinehart, it is now in the very capable hands of Lori Griffith, who has written a computer program to streamline the updating process. The results of Lori's latest efforts are enclosed. Note the pages of incomplete info, and check yours. All corrections/updates should be sent directly to Lori Griffith, 6103 Thistle Trace Court, Greensboro, NC 27410, or call 919/282-2629.

WOMEN ON WINGS AIRSHOW

The first women's international airshow will be held at Dulles International Airport May 24-26, 1986. ISA has endorsed this effort, and Bonnie Tiburzi is on the Board of Directors. If any of you would like to participate either in the aviation portion of the show, or a forum or panel discussion, Ms. Nanci Callahan, the director, would be positively delighted. Bonnie Tiburzi has agreed to act a liason on this project and she should be contacted directly at 32 Morton Street, Apt. 8C, New York, NY 10014 or phone 212/741-4921. I am very grateful for Bonnie's continued participation in ISA in the midst of a hectic personal schedule. And to share a piece of very happy news, Bonnie is expecting her second baby in August.

BABY BOOM

Many ISA members have recently contributed to the world's population of future captains. One member sent me the following list (which I know is incomplete, and would appreciate everyone's good news if you have a moment to write).

BORN

to Jean and Vic Harper, a daughter, Annie Rose.
to Judy and Steven Buttgenbach, a son, Adam Robert 9/15/85.
to Gail and Dick Schlicht, a daughter, Stacy Morgan 11/17/85.
to Carat and Joe Vallee, a son, Jonathan, 2/85.
to Sydney and Tom Hale, a son, 9/85.

I can only reflect that these are lucky babies, indeed.

On a final note, ISA member Fiorenza de Bernardi was in a terrible auto accident in Rome just before Christmas, breaking 39 bones in various parts of her body. As a result she will be unable to attend the meeting in San Diego, and I am sure she would appreciate hearing personally from all of you. She can be reached at Via Panama 86, 00198, Roma, Italy. We wish you a rapid and complete recovery, Fiorenza, and look forward to our reunion in '87.

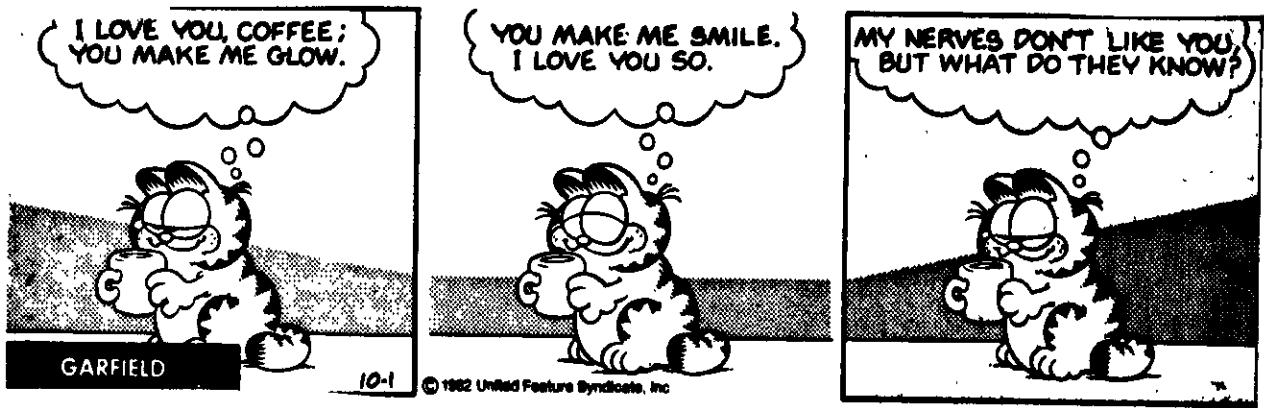

That's all I have for now. Again, my apologies for the delay in communicating with you this time, and hopes that being junior in category becomes less of a handicap as time goes on. As soon as the nominations for the 1986-88 officer elections are complete, you will be receiving a ballot. PLEASE have the nominations back to me by April 1. If I receive them any later than that, I will not have time to complete the balloting before the meeting. As always, I appreciate your cooperation, and look forward to May.

Regards,

P. S. RENEWALS

Many of you have already renewed for 1986. Dues are \$35 this year, and an application form for change of address info is enclosed for your convenience. Thanks to all of you who were early.

Fill in your information (your name and airline, their name and airline) and send it to the person you are nominating. They should sign it indicating they are accepting the nomination and fill the the portion indicating in brief why they would like to be an ISA officer. The nominee should return it to:

Abigail Davis
Box 17156
Minneapolis, MN 55417

After all nominations are received, a ballot will be sent to all members. The offices are:

- President
- Vice President
- Secretary-Treasurer

I (name, airline) _____ nominate
(name, airline) _____ for the office of
_____.

I (name) accept _____ the _____ nomination
(signature) _____.

I (nominee) want to be an ISA officer for the following reasons: _____

(Optional) I have nominated the above individual for the following reasons: _____

5/16/77 Joseph E. Vallee Republic

Is this the same person - 11/29/79 D. "Carat" Vallee Republic
Seniority list supplied by "Carat", but the year 1979 was not included.

"Carat" shows Nancy J. Soltis 5/6/85 Republic as resigned flying for Piedmont
but I have no Piedmont records confirming this.

I have an address for a Deborah McCormick P.O. Box 23784 Tempe 85282 and an
American West notation before it. Is this a member (no date) or an
American West contact for someone. At the top of the sheet is "changes
5/17/85 Terry Rinehart".

On the same Terry Rinehart sheet. It shows Diane Hixon deceased. Please
confirm. Also need a date and airline, or is this Diane Hixson-Myers who
flew for United and was furloughed and now flying for Continental (See
1979). If so I still need a starting date for Continental. Also verify
the spelling of Hixson-Myers. There is also some confusion on her hire
date at United: 3/12/79 or 3/19/79.

From another Terry Rinehart letter. Shows Denise Blankinship, Piedmont
date as 3/7/77. Previous records showed it as 4/1/77.

What was Julio P. Canter's last day at United.

3/6/78 Linda Greco Texas International A letter from Karen Kahn indicates
the hire date as 3/17/78.

A letter from Meg Streeter, indicates Betty Vaughn's hire date with Federal
Express as 5/6/85. We previously showed it as 5/5/85.

A letter from Terry Rinehart shows Duana Robinson flying with PSA now and was
with Continental. Our records showed she was previously with Texas
International.

Need a hire date for Kim Caglia - Eastern.

Records indicate Anne Collins - Delta - deceased. Please confirm. Need hire
date and deceased date.

In a letter from Elena Folch, shows Monica Gallardo or Gallordo, flying for
Mexicana. She shows Elizabeth Abodie (sp) and Veronica ? (DC-9 FO)
flying for Aeromexico. Need all three hire dates and spelling of all
three of their last names.

A letter from Terry Rinehart indicates Sandra Simmions was flying for Braniff
possibly in 1974. Need hire date.

Need dates of hire for Deborah McCormick and Susan Enzweiler at American West.

3/12/79 Abigail Davis Northwest Orient. A letter from Marilyn shows her date
as 3/19/79.

Need a spelling check on last name. 7/9/79 Vivrano or Viviano? Flying Tigers
5/11/84 Hosbins or Hoskins? Northwest
5/1/84 Rane or Baines AirCal

4 people on the seniority list have incomplete dates.

All of the following names came from (I believe Julia Abston's) address listings. Each airline was listed at the top with the individual's names and (most of the) addresses listed below. I cannot find hire dates for the following:

Dear Abigail:

I was given your address by Bonnie Tiburzi, who is serving on the Honorary Board of Directors of WOW-86.

24, 25, 26

Plans are now being made for the First Annual International Women's Air Show to be held at Dulles International Airport during the last weekend in May, 1986. The Air Show will be known as WOW (Women on Wings) '86. A major focus of WOW '86 will be the bringing together of women from many countries who have made contributions in all phases of air and space—civil as well as military.

In view of the ISA's unique position in the aerospace community, we would like to list your name, along with other distinguished aviation oriented organizations, as being affiliated with WOW. We know that you will endorse our goal of recognizing women's achievements in the sky in a positive international environment. Your affiliation with WOW '86 will evidence your support. Bonnie will get in touch with you regarding specific plans for ISA participation in WOW-86.

Please let me hear from you at your earliest convenience. My warmest regards in the meantime.

Yours sincerely,

Nanci Callahan

Dear Ms. Callahan,

This is to confirm that ISA is pleased to endorse Women on Wings '86, and to offer our congratulations on your excellent efforts in organizing an airshow truly unique to aviation history. I have written Bonnie Tiburzi asking her to act as liason between your group and ISA members interested in participating in the show. As we discussed over the phone, I am sure a number of us would be interested in involvement in various capacities, including a possible forum and/or panel discussion. I will include your correspondence in the next ISA newsletter which should reach the membership by March 1. I have also written Lori Griffith, who is in charge of the Master Seniority List, and asked her to send you the data that you requested.

I enjoyed talking with you, and look forward to seeing you in May. Do let me know if I can be of further assistance.

Sincerely,

Abigail F. Davis
President
