### Notes

- Membership wording levels  
(Doesn't make sense internationally- weights restricted some people)
  - Individual membership
  - Support Membership- anyone who wants to support us
  - Apprentice Membership- training for access
  - Fellows- Invited by BOD; service, great contributions, prestigious, nominated
  - Lifetime
- Vote on these? Take to membership
  - Look up what Bylaws say the procedure is
- Benefits of membership:
  - Socializing, giving back, encourage future
  - Brainstorm ideas and upload to Slack thread
- Partnership/Sponsorship Levels
  - Research and chat at next meeting
- Separate sponsorship (Benefits) and support levels
  - Use NGPA as a template
- Separate Conference Sponsorships from Regular Sponsorship
  - Come up with unique names
  - Layers of atmosphere, flight levels, etc
  - Do research on this
- Work on Conference Sponsorship Packet for people wanting to host us

- Speakers
  - Make good partnerships, engage by inviting them to our conference
  - Inspire speaker series & workshop
    - University of Kentucky professor
    - ICAO, IATA, FAA
  - Organize gender balance workshop/panel
    - Fields that are male dominated
- Update on conversation with Michael
  - He is frustrated that our group isn't excited about what he's proposing
  - Targeting Membership from next generations
  - Knix goggles, more professional at this level
  - He needs to provide something if that's not what we want
  - Maybe he doesn't understand aviation at this level
  - Get away from "cute" aspect
  - Imagery on website needs to show that we proud of what we do professionally, not just "fun" like 99s
- Friday call- give feedback, also on voting forms
  - How will logo look on banners, etc.

*Adjourn: 5:32pm*
