Subject Subject: OBAP Courageous Conversation Panel

The Organization of Black Aerospace Professionals (OBAP) is hosting a virtual panel discussion series entitled "Courageous Conversations." This afternoon at 1500 EST, our very own ISA+21 Chairwoman, Tara Cook, will have a place on the panel, alongside many other industry leaders. Today's conversation is regarding aerospace industry organizations. You do not have to be an OBAP member to register for the discussion, and you can listen in even if you don't have a specific question. Here is the link for more information and to register for the discussion.
