# STRONG WOMEN LIFT

*each other up.*

On our last ISA+21 board member virtual call, we decided to set up a separate fund to help members get to the conference this year. If financial concerns due to employment issues are the only thing holding you back from attending Louisville, please reach out to us! Send an email to Kyoko at [treasurer@isa21.org](mailto:treasurer@isa21.org), and let us know that you would like to come to the conference.

If you are able, and would like to support other members attending the Louisville conference, there are two different ways you can help! Log into [iswap.org](http://iswap.org), and click "Louisville Conference Support Fund" under the donate tab. Or, you can select the "Conference Support Fund" option when you are registering for the conference.

Thank you for being a part of an organization of women who truly **Inspire, Support, and Advocate** for each other!
