

We are excited to present ISA+21's updated logo! The current logo has served us well, however we have decided it is time to update our 'livery' to stay relevant for the next generation! Also, as ISA+21 is becoming more and more of a media and industry resource for information, we opted for a logo that we felt portrays:
"Woman Airline Pilot"

This updated logo embodies our culture of camaraderie, as does our mission statement:

The International Society of Women Airline Pilots is the global voice to *Inspire, Support, and Advocate* for female airline pilots

In the same spirit of forward progression, we have a new email system that allows us to not only receive emails sent to these addresses, but we can also *send* emails under the same address (rather than sending from our personal emails, which was a limitation of the previous system.) This will eliminate confusion as board members change on a rotating basis, and will also give a professional image when we send outgoing emails for industry and media communications.

The ISA+21 Board of Directors can now be reached at the new email addresses listed below:

Chairwoman Tara Traynor Cook:
chairwoman@isa21.org

Vice Chairwoman Kara Hatzai:
vicechairwoman@isa21.org

Treasurer Kyoko Kimura:
treasurer@isa21.org

Secretary Christine Albertson:
secretary@isa21.org

Membership Director Uli Fay:
membership@isa21.org

Scholarship Director Natasha Shcheglova:
scholarship@isa21.org

Communications Director Erin Jackson:
communications@isa21.org

Events Director Maggie Eickhoff:
events@isa21.org

Outreach Director Davida Forshaw:
outreach@isa21.org

Webmaster and Public information:
info@isa21.org

Your ISA+21 Board sporting different variations of our updated logo!

Announcing the Launch of our New Website!

www.isa21.org

It has been a year in the making. We've listened to feedback about our much loved "classic" website that has served us well for many years. We have heard from you that it was time for a new fresh look, but with the same feeling of camaraderie, pictures, and the latest news and information.

New technology allows us to feed in all of our social media, update information, and give you choices about how you want to interact with ISA+21. Our goal with this new website is to provide our current members, aspiring members, and all of ISA+21 supporters with an easier way to keep in touch, learn what we are doing, and browse our new information.

- There is an ISA+21 'In The News' section, an 'Our Published Work' page and even a place to send us your own news so that we can share with our members.
- The new and exciting "Member Central" area is full of information about our events and excellent resources for our members.
- There are great new social features including integrated social media, live feed from our Instagram @intlwomenairlinepilots, plus buttons for Facebook, Twitter, YouTube, and LinkedIn.
- And much more!

We want to hear about your experiences, share your social media stories about flying, and get your feedback, so please enjoy exploring what we have put together.

Times are challenging for us all at the moment, so this is a wonderful opportunity to come together and celebrate our ISA+21 global family. We need to Inspire, Support, and Advocate for each other!

Now for a little technical housekeeping... We imported all Active Members into the new database. If you are current member, you will receive an email shortly with a temporary password to log into your [Member Profile](#). Once you have logged in, please take a few minutes to fill out the Profile questions, update your contact information, and upload a fun photo of yourself!

If you do not receive an email, your membership may have recently lapsed, so simply go to the "Join ISA+21" tab at the top menu, and select "[Become a Member](#)" in order to renew your Membership.

We hope you are as excited to see what we put together as we are to share it with you! As a special offer until September 30th, if you check out the new website, update your Member Profile, and **renew your membership for an additional year**, we will extend your expiration date by 3 months.

For nearly half a century, ISA+21 has supported the airline dreams of many passionate women, by proudly awarding over \$1.4 Million in advanced flight training scholarships to date. We would like to thank you for being apart of this endeavour and want you to know we value your membership.

We are still working on the functionality of the "**Member Central**" area. [This page is Password Protected, so please enter 1978](#) (the year ISA+21 was founded) to gain access. Save this email for future reference. *Pro tip: If prompted, do not save this password, save your login information instead- only one saved password is allowed.*

We are excited to finally present to you:

www.isa21.org
