

# Tell Us About Yourself!

We will be starting a series of short promotional videos to share on ISA+21 Social Media Channels. These will promote our conference, new membership levels, sharing insights to being female airline pilots, and the benefits of being a member of ISA+21.

We are in need of some sound bites from active members and want to hear from you! This is the perfect opportunity to stay connected to ISA+21 from wherever you are in the world!

- Select 3-5 questions you would like to share with us.
- Wear your uniform for your video interview.
- Shoot horizontally.
- Keep answers to less than 2 minutes per question.
- State your name and how long you have been a member of ISA+21.
