Sept 22nd	Dublin Day Trip

For over **40 years**, The International Society of Women Airline Pilots (**ISA+21**) has been a global leading voice and supporter of **female airline pilots**, representing pilots from over 90 airlines. The annual conference provides an **opportunity for female** airline pilots from around the world to meet, share, and learn about new initiatives and opportunities in the industry. ISA+21 is the world's largest single donor of advanced flight training scholarships, awarding over **\$1.3 Million** in the organization's history. The annual conference is the cornerstone fundraiser of making this goal a reality. **Without sponsors**, we could not reach our goal of increasing the number of women in the flight deck **worldwide**.
