

## Women In Aviation 2023

Hello fellow ISA+21 members!!!

It's that time again when ISA is looking for volunteers to help set up our booth, greet conference goers, and tear down our booth at the Women in Aviation Conference February 22-25, 2023 in Long Beach, California.

The duties entailed in volunteering include spending a 2 hour time block each day helping work the booth. At the booth, we greet conference attendees, and explain who we are and what our mission is. We also help sign up new members and renew memberships. Plus socialize and just have fun!!! We also pass out swag and tell people about our social on Friday night.

**We do ask that members wear a uniform while working at the booth.**

We also need a few people to help set up and tear down. Wednesday evening, I will need a few people for a couple hours for set up, and on Saturday afternoon for tear down (less than an hour).

For your volunteer time, ISA will provide a exhibitor badge/pass. This will get you into the exhibitor hall for free every day, but doesn't include any sessions or meals.

If you are interested in volunteering, please let me know by Feb 10th. Send me an email at [horsesnflying@yahoo.com](mailto:horsesnflying@yahoo.com) or text me at 617-359-5237.

Look forward to seeing you all in Long Beach!!!  
Kara Hatzai, ISA+21 WAI Coordinator
