2024

## Conference Sponsorship Information

<b>Sept. 24th</b>	Welcome Dinner Cruise on the "Cherry Blossom"
<b>Sept. 25th</b>	Business Meeting, Awards Luncheon, Closing Reception
<b>Sept. 26th</b>	Udvar-Hazy Day Trip

For over 40 years, The International Society of Women Airline Pilots (ISA+21) has been a global leading voice and supporter of female airline pilots, representing pilots from over 90 airlines.

The annual conference provides an opportunity for female airline pilots from around the world to meet, share, and learn about new initiatives and opportunities in the industry.

ISA+21 is the world's largest single donor of advanced flight training scholarships, awarding over \$1.5 Million in the organization's history.

Our annual conference is the cornerstone fundraiser of making this goal a reality. Without sponsors, we could not reach our goal of increasing the number of women in the flight deck world-wide.
